## From the President

Hello fellow quilters!

This is my last message to you as president of our guild. It's been a quick year. You are a very talented group of people who inspire me each month with all the Show and Tell's. I love the variety of projects and speakers we have had this past year. Something to appeal to everyone in that group.

I hope to see lots of you this week at the June Social. It will be a potluck meal supplied by you members. This year's board will be bringing a special punch (not THAT special - no alcohol in Eno!) Oh and don't forget, we will all get to vote on the Challenge projects made from solid fabrics. That always fun to see how everyone interprets the Challenge.

See you Wednesday!

Sue

## This Month's Meeting

### June 17      **Auction In Memory of Carrie Bacewicz**

During our June social, we will be holding an auction. All proceeds raised from the auction will be donated to Pancreatic Cancer Research, to honor Carrie Bacewicz.

Just a reminder that there will be no "Show and Tell" at the June meeting. Also **the meeting will start at 6:30pm** so we have enough time for the auction. Please bring cash or check for your donation of auction items. Checks should be made out to Lustgarten Foundation. .

If you have any questions, please feel free to email or call Chris Snieckus, Christine Zepp, or Leslie Perry.

## Future Programs

July 15 - Willow Bascom from Plymouth, Vermont will be doing a presentation on "World Textile Designs". Willow will be talking about textiles, patterns and color palettes from around the world. She has lived in Saudi Arabia and Panama and has collected textiles and art from the many cultures she has visited. She is also an award winning children's author and illustration and has published a book called "Paisley Pig and Friends: A Multicultural ABC".

<http://www.willowdraws.com/quilters/>

August 19 - Service Meeting and a demo on Electric Quilt 7 by Sandy Morawski. Sandy will be giving an overview on one of the industry's most popular quilt design software. With this software, you can design your own quilts and block patterns; audition your own personal fabric stash, embroidery designs and quilting designs on your quilt before you make it; print patterns for foundation piecing, templates and rotary cutting charts. It does the math for you; and prints your fabric yardage too.

## Get Quilting!

What quilt (or quilts) will you exhibit in our next show? All levels of experience are encouraged to enter a quilt. You don't have to be an expert. If you haven't finished a quilt in a while, let the show be your motivation. We all want to join in celebrating your hard work.

This show will also include a **Wall of Valor**. These quilts will be donated to veterans after the show as part of the Quilts of Valor efforts. These quilts can be made by one or more guild members. We need to follow the guidelines of the QOV organization. The quilts will not be judged. You can also submit a quilt which has already been donated to a veteran. You can find details on quilt guidelines on the website

[www.qovf.org](http://www.qovf.org)

I can be reached at [psthomsen@yahoo.com](mailto:psthomsen@yahoo.com). During one or our upcoming meetings when we do not have a speaker, I can also provide an update to the guild on our finances.

Respectfully, Peggy Thomsen

## Spring Retreat

Save the date for the 2016 Spring Retreat....March 9<sup>th</sup> - 13<sup>th</sup>

## Fall Retreat

We were able to secure the Incarnation Center for a Fall Retreat this year. We were very lucky as they had a cancelation and offered the space to us. I was also looking into the Mercy Center but unfortunately they only had 6 rooms available.

So mark your calendars for **November 11 - 15, 2016**. We need at least 25 people to fulfill our commitment. If you've been thinking about attending this retreat, here are some options to consider...

The cost structure is per person and includes accommodations, 9 meals (Thursday Dinner through Sunday Lunch) and use of the entire facility:

There will be two options:

**3-night option (Thur, Fri, Sat)** - the cost of this all-inclusive retreat is \$280

**Add-a-Night (Wed)** - join the retreat a day early for an additional \$40 (no meals included)

To give all guild members an equal opportunity to register for the Fall Retreat, registration will open, via email, on **May 1st** on a "first come, first serve" basis. Please email Christine with your intention to attend at [czepp28@gmail.com](mailto:czepp28@gmail.com) with the following information:

Name, address, phone number (home and cell), email address, and any special requirements, i.e. diet, mobility, etc.

## ABC Quilts

The ABC, A Better Chance, program is a national, non-profit organization that gives promising minority students an opportunity to receive their high school education at an excellent suburban school. It is a residential program with the students living together in a house in Simsbury. Each student is also sponsored by a local family. Farmington Valley Quilters began presenting incoming freshmen with a quilt beginning in 1997.

When we got home from our meeting last month there was an email from our ABC contact with the news that there will be **four** new students this August. Fortunately we had a third top ready to go which has since been pieced and quilted. We put out a call to several guild members to make blocks for the fourth quilt. A special thanks to Ann Baldis, Alberta Cully, Debbie D'Angelo and Margaret Omartian for agreeing to make several blocks each. Most have already been returned and we should have the fourth quilt pieced by the end of June. Ann Baldis and Susan Elliott have volunteered to hand stitch the bindings on the quilts. Truly a team effort!

We look forward to seeing everyone on Wednesday.

## Guild Bees

The guild offers three smaller groups (bees) that are designed for people to get together outside the guild meetings to share ideas, learn from each other, and socialize. The groups are completely independent of each other and each decide on the structure, location, and direction that the group would like. You do not need to attend every meeting to be a member. These bees are great ways to get to know others who share your passion.

The **Wednesday Morning** group meets two Wednesday mornings a month, rotating homes. Each bring their own hand project. Occasionally a group project or a challenge is done. The contact person is Aurelle Locke, [alocke6164@sbcglobal.net](mailto:alocke6164@sbcglobal.net).

The **Wednesday Night Stitchers** meets on the second Wednesday evening of the month, rotating homes. This group is redefining themselves and the meetings could be at a location other than a home - library, meeting room, Starbucks, etc. Group projects, challenges, or any other kind of idea is welcome. The contact person is Susan Elliott, [shsellcott@sbcglobal.net](mailto:shsellcott@sbcglobal.net).

The **Monday Afternoon Bee** meets on the fourth Monday of the month, rotating homes or meeting sites and starting at 11:30 with BYO lunch. The hostess will provide drinks and dessert. First one is June 22 at Deb D'Angelo's. This group also brings any kind of handwork (quilting, cutting, knitting). Group projects and challenges are also done. The contact person is Susan Elliott, [shsellcott@sbcglobal.net](mailto:shsellcott@sbcglobal.net).

Please feel free to contact Susan Elliott, [shsellcott@sbcglobal.net](mailto:shsellcott@sbcglobal.net) or 860-658-0863 if you want more information or would like to start a group of your own!

## Neo Natal

Dear Farmington Valley Quilters,

Thank you for the beautiful quilts for our babies and their families. I am sure they will become treasured keepsakes.

We had four mothers deliver new babies over Mother's Day weekend, and each was so happy to receive one of the quilts.

Many of the new mothers don't have the chance to experience receiving gifts at a baby shower since their baby was born early so they are thrilled to receive a colorful quilt.

For some mothers this is the first gift for their infant they have received.

When the quilts are placed at the bedside they brighten up the whole room and make each bedside unique and special for that baby.

The nurses love to select a special quilt for each of their patients, and the quilts are brought home when the baby is discharged.

Thank you again for your thoughtfulness and sharing your talents with us!

With thanks and appreciation from the parents, staff, and the March of Dimes staff.

Sincerely,

Shari Galvin, RN

## Mystery Night

## Help Needed

The Sew Thankful Quilters who make Quilts of Valor at the Avon Congregational Church is very prolific in producing quilts. One area where we could use some help is with Long Arm Quilting. It is a wonderful opportunity to give some time toward National Service, work on your long arm skills, and help get quilts in the hands of our many service men and women who need to know we all appreciate their service. We leave the quilt design to you, but a simple overall pattern is perfect. We supply the batting and we will also do the trimming, binding, and all the other steps necessary to get the quilt finished. Please call or email me if you can help.
